*Week of 05/5/2019*  
*I AM- The Light of the World*

## *My Story:*

- When was one time you tried finding something in the dark? How much longer did it take you to find it compared to when you searched with the lights on?
  
- Darkness hides things, but light reveals the truth about something. What is something you found to be true when it was brought to the light? Like a rumor, an assumption, a family secret, or a surprise party?

## *Diving Deeper:*

- What comes to mind when you hear Jesus is “the light of the world”?
- How does your thought compare and contrast with Jesus’ own descriptions in John 8:12-30? (Read)
- Jesus is the light that exposes our brokenness and sin. What is one thing Jesus exposed in your life that He wanted to change? What did he ask you do about it?

- God always wants to reveal Himself to us, and we see him most clearly through Jesus. What is one thing you learned about God by observing Jesus?
  
- God said, “Let there be light” and transformed everything (Genesis 1:1-3). What is one part of your life you want God to shine a light on?
  
- What is one thing in the world that you want God to shine a light on and transform?

- Jesus came to earth to give light to everyone (John 1:9). Whose one person you want to see Jesus more clearly? What can you do to help that person see Jesus clearly?
  
- The Light of Jesus isn't just something to talk about in church. The Light of Jesus is meant to be shared. Read Matt 5:14-16. What do you think this means and what are you doing to Share the His Light.
