“Why Marriage? Making It Work Part 2”*

My Story:

- We've been talking about biblical ways to make marriage work. What advice on dealing with conflict would you give to another couple and why?

- If you were married and God were to give an “Eleventh” commandment to you or your partner, what would it be and why?

- What advice would you give to a couple, family or friends to improve communication?

- What is your definition of intimacy?

Diving Deeper:

- Pastor Rick says he's venturing into areas where angels fear to tread. What does the bible say about physical intimacy? Read 1 Corinthians 7:1-6 and discuss.

- What does it mean to be a "Servant Leader"? Read Matthew 20:25-28 and discuss.

- What are practical ways we can and should play out this role to the benefit of our families?

- Besides “Servant Leadership” and “Being Generous”, what are the other important roles that Pastor Rick mentioned on Sunday? (Listen to Message)

- Which ones did you find most helpful and why?

- Can you think of any other important roles, expectations or responsibilities that would lend itself toward improving our homes and in our relationships? Share your thoughts.

- Pray for Gods blessings and peace to be on marriages and families, especially the ones at our church.
